

PRIYANKA GAUTAM

Data-Driven Digital Commerce Leader | Analytics, GTM Strategy & Data Science | AI/ML for Growth

priyanka.gtm@gmail.com | +91 8800122275 | Delhi NCR, India | linkedin.com/in/priyankagautamiimb | github.com/priyankag1111

EXECUTIVE SUMMARY

Data-driven digital commerce leader with 16+ years using **data analytics, forecasting, and KPI ownership** to drive strategy, P&L, and growth across Fashion, Sportswear, and Technology sectors. Proven record of translating **data into commercial outcomes** — including doubling total eCommerce revenue and growing app share of eCom business from 10% to 50% at Westside through **data-led** UX and performance-marketing decisions, and leading multi-country **data-driven** digital transformation programs at adidas (India, MENA, Emerging Markets) spanning trading strategy, GTM planning, and cross-functional governance. Fluent in translating **performance data (GA4, Power BI, Tableau, SQL)** into commercial decisions, and now extending this into applied **data science, machine learning, and agentic AI** through hands-on projects and formal study. IIT Kanpur + IIM Bangalore alumna with an Advanced Certificate in Applied **Data Science, ML & AI** from IIT Guwahati, experienced managing data-informed teams and budgets across India, MENA, and Emerging Markets.

CORE COMPETENCIES

Data Analytics & Data-Driven Decision Making | Data Science, Machine Learning & Agentic AI | eCommerce & Digital Marketplace Strategy | Platform Partnership & Relationship Management | Go-to-Market (GTM) Strategy & Execution | Revenue Forecasting & KPI/Data Ownership | Trading Cadence & Commercial Performance Management | Cross-Functional & Matrixed Team Leadership | Joint Business Planning & Governance | Assortment, Campaigns & Merchandising Strategy | Data & Analytics Tooling: Python, SQL, GA4, Power BI, Tableau | Budget Ownership & P&L Management

PROFESSIONAL EXPERIENCE

Product Development — Data Science & AI/ML Applications (Career Break) | **Jul 2026 – Present**
Independent

- Built and deployed applied **data science and ML** projects — including a **data-driven** recommendation engine, an image classification model, and agentic workflow tools — strengthening hands-on data fluency and technical grounding for digital and platform decision-making.

Deputy General Manager – Category Strategy & Growth | *Sanspareils Greenlands* **Dec 2025 – Jun 2026**

- Owned end-to-end category strategy and commercial performance for SG Cricket, India's #1 cricket equipment brand, using **sales and market data** to set the growth roadmap.
- Led a team of 4 Category Managers, setting **data-backed** performance frameworks, commercial targets, and execution cadences across a matrixed organization.
- Directed assortment, pricing, and inventory optimization using demand and sales **data** — accelerating revenue growth and improving channel prioritization.
- Launched new categories across Swiggy and Blinkit (tennis cricket); partnered with brand lead on **performance-data-informed** A+ content for English Willow bats, lifting Amazon conversion rates.

GTM Consultant — D2C Startups | *Independent* **Jan 2024 – Dec 2025**

- Partnered with a D2C fashion startup to improve traffic and conversion using **web and marketplace performance data** (Myntra, Nykaa) and website analytics. Created a product collection and brand strategy to expand offline presence with retail partners; pitched to Ogaan.com for SIS space.
- Built an Instagram content strategy and tracked **engagement data** (impressions, CTR) for a health-tech (0–1) platform to guide content decisions.
- Developed a YouTube content strategy for an AR/VR platform, using view and traffic **data** to drive video views and site traffic for the startup.

eCommerce Product & Strategy Consultant | *Westside (Trent – Tata Group)* **Dec 2022 – Jan 2024**

- Owned the commercial and product relaunch of Westside's app and website as Product Owner, growing app share of eCom business from **10% to 50% (+40 pp)** and **doubling total eCom revenue** through data-led decision-making.
- Led UI/UX improvements across the shopping journey (home → PDP → checkout), search, navigation, and membership program, using behavioral **data** to drive measurable gains in conversion and engagement.
- Owned the digital product budget and delivery governance, tracking **data-backed** milestones to ensure on-time, on-budget execution of platform and feature roadmaps.
- Built and optimized performance-marketing programs (SEO, SEM, paid social, push, email) using Shopify, **GA4, Power BI, Tableau, and SQL** to monitor KPIs, analyze customer data, and inform trading decisions.

- Partnered with the Tata CLiQ team, using shared sales **data** to drive commercial KPI improvements for Westside products on Tata CLiQ's platform.

Senior Manager – Digital Strategy, Business Development & Data-Driven Growth |

Feb 2013 – Aug 2022

adidas (India | MENA | Emerging Markets)

- Owned adidas' eCom digital transformation program across Emerging Markets, using **performance data** to set product roadmaps, digital OKRs, trading cadences, and commercial calendars — delivering **15% year-on-year digital revenue growth**.
- Authored and presented the 5-Year Business Plan, Data-Driven Digital Strategy, and Africa GTM Strategy to MD Emerging Markets and Cluster GM leadership, using market and sales **data**; Africa strategy received special recognition from the MD.
- Owned end-to-end delivery of adidas' eCom launch in Egypt and Morocco, leading a 16-member cross-country team; using launch **performance data** to reach **15% channel share of business within Year 1**, earning a GM's Recognition Award.
- Built the business case to scale adidas' presence **3X in Algeria** through new partnership models, wholesale consolidation, and an online channel launch, grounded in market **data** analysis.
- Led alignment across 6 countries and 16+ cross-functional stakeholders (merchandising, marketing, supply chain, finance, tech), using shared **data** dashboards to drive outcomes through influence in a matrixed structure.
- Led cross-functional teams of 7–10 to deliver **data-informed** strategy and channel projects, including a Key City Attack Proposal — adopted as a Global Best Practice by the adidas Board — and an Own Retail Channel Launch.
- Identified 20 emerging cities for wholesale expansion through market and competitive **data** analysis, setting GTM priorities and resource allocation.

Strategy Manager | HCL Infosystems

May 2011 – Feb 2013

- Partnered with a Global Top-3 consulting firm on a CEO-sponsored business transformation program for a USD 2B business, building **data**-driven performance dashboards and investor-facing reporting.

Operations Manager | Indian Oil Corporation Ltd.

Aug 2006 – Jun 2009

- Led a team of 15 managing regional supply operations for 200+ key customers, using operational **data** to grow the supply unit's monthly revenues by **25%**.

EDUCATION

- **Advanced Certificate in Applied Data Science, ML & AI** — IIT Guwahati, Sep 2025 – Jul 2026 (Advanced Analytics, Machine Learning, Deep Learning, Generative AI, Agentic AI)
- **Post Graduate Diploma in Management (Strategy & Marketing)** — Indian Institute of Management (IIM), Bangalore, 2011
- **Bachelor of Technology, Chemical Engineering** — Indian Institute of Technology (IIT), Kanpur, 2006

CERTIFICATIONS & DATA TOOLS

- **Certifications:** Google Digital Advertising | Google Analytics & Advanced Analytics | UX Design | Python for Data Science | AI Fundamentals | Advanced AI
- **Data & Analytics Tools:** Python | SQL | GA4 | Power BI | Tableau | Shopify | Adobe Illustrator | Adobe Photoshop

AWARDS & RECOGNITION

- GM's Recognition Award — adidas eCom launch in Egypt & Morocco during COVID-19, driving incremental data-backed revenue growth (2020–2021)
- MD's Award — Key City Attack Plan for adidas India; adopted as a Global Best Practice and presented to the adidas Board (2018)
- MD's Award — Own Retail Channel Launch, adidas India (2017)
- MD's Award — High-impact individual performance and project delivery (2016)
- Emerging Leader 2022 — Runner-Up, Navi Mumbai Chambers of Business & Industries
- IIMB Alumni — Mentor, Women Entrepreneurs Program (2023); Panel Interviewer, PGDM Admissions (2023–25 batch)
